Description

The property is a detached modern industrial / warehouse unit with secure yard and parking. Constructed with steel portal frame and clad elevations. The warehouse benefits from clear internal height of 5.1 metres rising to 7.75 metres. There are ground and first floor offices with VRF heating & cooling system, suspended ceilings with LED lighting and perimeter trunking.

Externally, the site provides 29 car parking spaces, including two EV charging points, together with a secure loading area with electronic barrier access.

Location

The property occupies a prominent position on the A218 in Wandsworth. It is located within an established South West London commercial area alongside occupiers such as Wolseley, Halfords, and Screwfix.

Approximately 6 miles south of Central London, the property benefits from nearby A3 access, with Junction 8 of the M25 and the M3 within 7 & 10 miles respectively, providing links to the wider motorway network.

Public transport is excellent, with Wimbledon Park station 1 mile away (25 mins to London Waterloo), multiple bus routes, and both Heathrow (16 miles) and Gatwick (35 miles) airports within easy reach.
